Docket No. 98N-1265

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

0020 99 MAY 17 A9:33

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

My current medications from Madison Pharmacy in WI are necessary for my physical & mental well being. To not allow them to mail my meds to me would be a travesty. I hope you will consider how many peoples lives & health would be affected by such a restriction.
